

FAST TIME MADE ON HEAVY TRACK

Bessie Patchen won the 2:20 Pace Just as Darkness Encircles the Course.

TWO EVENTS UNFINISHED

Rain Made the Track Slippery. Causing Rearrangement of Yesterday's Program.

The almost incessant rainfall Tuesday night and yesterday morning caused the Virginia State Fair track to be heavy and slippery, necessitating a juggling of yesterday's program. The running races were put to the fore to entertain the crowd, and later in the afternoon the track was in condition for the harness events. These, however, were delayed by numerous attempts to relay, and only one harness event, the 2:20 pace, for a purse of \$2,000, was finished, Bessie Patchen, a bay mare, by Director Patchen, owned by Charles H. Lafferty, of Philadelphia, won her third heat just as darkness swooped over the track. Her best time was 2:11 1/4 in the second heat. Hanks Bellini was second, and Wonder Worthy, third. The fourth and deciding heat was closely contested, the pacers getting away bunched and remaining so until the three-quarter mile was reached, when the three leaders pulled away from the others and crossed the wire, neck and neck.

Running Events First.
The five furlong running race was the first to interest the crowd. The seven starters got away in good form. Skeets ran an easy third, with Styx leading down the home stretch, but Jockey Bauer shot Skeets to the wire a luck winner, making the distance in 1:03 1/4.

The Commonwealth Club handicap steeplechase, about two miles, was won by Orderly Nat, a chestnut gelding, ridden by Jockey Henderson, who came under the wire neck and neck with Racewell, who was discounted. Jockey W. Daley at the hedge at the "Death Valley" and aroused the enthusiasm of thousands in the grandstand by completing the course, going under the wire first, but could not win because it did not carry weight. Daley was given attention at the emergency hospital, but was not badly hurt. Voltaire finished second, and Boundbrook, third. Jean Wagner fell at the first hurdle, and Jockey Burns was hurt so badly that he was treated at the emergency hospital, and then sent to his room in the city to rest up.

The third running race kept up the interest in track events. Duxstun, a bay gelding, with Jockey Grand up, headed the runners for the six furlongs, making the distance in 1:15 1/4. Quincey Belle was a close second, and Billy Hibbs an interesting third.

The Busy Body won the mile run in 1:45 1/4 by a nose. Gates being the contender and Earl of Richmond third.

Two Events Unfinished.
The 2:15 trot, of which three heats were finished, left the probable winner in uncertainty. Judge, Grand up, headed the runners for the six furlongs, making the distance in 1:15 1/4. Quincey Belle was a close second, and Billy Hibbs an interesting third.

The 2:15 pace was also unfinished, with three heats paced. Dick Mason, who finished the first heat in fourth place, won the second and third heats, making the distance in 2:15 1/4 and 2:11 1/4. Ellsworth R. won the first heat in 2:15 1/4. Marietta was second in the first and second heats and third in the third. Handy Jim coming in second in that heat.

The starting judge, Fred A. Upton, said the unfinished events from yesterday would be called for 10:30 o'clock this morning, which, with the three harness events, three flat events and the King Corn Steeplechase, will be a

program full of interest to all interested in this feature of the fair.

THOUSANDS CHEER SCOREBOARD GAME
State Fair Attendance Suffers by Multitude of Fans Watching Battle Royal.

The pitching battle of Mathewson and Pank proved more alluring than Richmond Day at the State Fair to the thousands of fans who crowded in South Tenth street yesterday afternoon for the battle of the arm. The game, which was held in the afternoon, was a half watched. The Times-Dispatch electric scoreboard traced the progress of the game, and the crowd, which was larger than on any other day of the fair, was kept in the excitement of the game of the world's series. The street was black with people, and the alley held hundreds who were able to catch glimpses of the lights from that point.

Exactly one hour before the game was called the vanguard of the crowd trickled into Tenth Street and occupied the most desirable seats and vantage points along the side of the American National Bank Building. Many brought boxes to sit on, while those who could come in automobiles and parked them in the alley. Without complaint or thought of physical discomfort the huge crowd held to the place, standing-room from 2 o'clock until Baker was thrown out in the tenth inning of the memorable contest.

There was not the slightest delay in flashing the signals from Shibe Park into the stadium. The lights were turned on, and the scoreboard, and no hitch in wire service occurred to try the patience of the fans. The crowd, which was estimated at 10,000, and the crowd found no difficulty in interpreting them.

FIRST OF SERIES WON BY WHITE SOX
Chicago, October 8.—The White Sox won the opening game of the city series from the Cubs here today 5 to 4. Russell and Cheney were the starters, but the latter was wild, and in the ninth was relieved by Lavender, who finished the contest. Russell was knocked out in the eighth round, and Scott was sent in. Both teams pounded the ball, but the American Leagueers managed to hit more opportunistically. Good and Sauer knocked home runs, the former's coming with one on. Twenty-two thousand fans saw the contest.

ORGANIC UNION NOT DESIRABLE
North Carolina Synod Against Closer Relation With United Presbyterian Church.

SEMINARY'S REPORT MADE
Shows Attendance Largest in History of Institution. Memorial Service.

[Special to The Times-Dispatch.]
Greensboro, N. C., October 8.—The reading of several resolutions which will be presented to the General Assembly at the meeting of that body in 1914, formed one of the features of the session of the Presbyterian Synod of North Carolina, this morning. Among these resolutions was one which gave it as the opinion of this synod that organic union of the United Presbyterian Church of America with the Southern Presbyterian Church is not desirable, and recommended that no steps be taken by the General Assembly of the latter church to effect such union.

The everture recommended further that fraternal relations between the two churches be fostered and continued, but that no closer relation would be desirable. The subject of organic union of these two churches has been under the consideration of the General Assembly of both bodies for a year, and at the meeting of the General Assembly during the present year a commission was appointed from each to formulate the plan of union, and to report thereon at the next assembly next year. Should the assemblies approve this plan, the adoption of the organic union would be a matter of course. It might be secured. It would be necessary for the plan to be sent down to the presbyteries for their approval or rejection. The assemblies could take action regarding the union.

Another special feature of the morning session of the synod was the report of Union Theological Seminary at Richmond, which is under the joint ownership and control of the Synod of Virginia and the Synod of North Carolina. The report showed that the number of students in the seminary the past year was 167, the largest number in the history of the institution. The seminary had received college training, but had not received degrees, and three had received no college training. Among these twenty-three are preparing to become foreign missionaries of the church. The students have received a liberal education, and the mission work in Richmond. The number of students has doubled within the past ten years.

During the past year three ministers in this synod have died: Rev. David Fairley, Rev. Benjamin L. Bentz and Rev. M. K. Kiehn. A special order for 11 o'clock this morning was the observance of the Sacrament of the Lord's Supper, followed by the memorial service for the dead. The memorial service was held this afternoon in order that the committees might have time for their work. The memorial service was held in the afternoon, and the committees might have time for their work. The memorial service was held in the afternoon, and the committees might have time for their work.

DIRECTOR GOES DOWN TO DEFEAT
Lexington, Ky., October 8.—For the first time in his career, Director L. went down to defeat this afternoon in the classic \$3,000 Tennessee stake, the pacing feature of the meeting. Frank Bogash was the one to turn the trick, but it was not until the eighth round that he was able to defeat the director. It must be said that he was sick and was drawn before the finish. The Cleveland trotter, Jim Todd, had an easy time in the 2:22 trot, and Hal B. Jr. completed the unfinished 2:05 pace in one heat. He was beaten by the Tennessee stake, but finished outside of the money. Summary: 2:05 class, pacing, three in five, purse \$1,000. (Two heats Tuesday.) Hal B. Jr., br. h., by Hal B. (McEwen), 1 1 1 1; Zoni Brewer, k. m. (Snow), 3 4 2; Jones Gentry, b. g. (Murphy), 4 3 3; Branham Daughman, b. h. (Cox), 2 2 dis.; Strathorn also started. Best time, 2:02 1-2.

2:22 class, trotting, three in five, purse \$1,000. Jim Todd, br. h., by Todd (Andrews), 1 1 1 1; Palmer DeForest, b. g. (Osborne), 2 2 2 2; Jay Mack, b. g. (M. Bowerman), 2 2 4; The Mason, br. g. (Cox), 3 3 5; Lou Dowie, Fast Tramp, Foxwood, Hub Holliday, Jim Red, Walter J. Sir John, and Lou McDonald also started. Best time, 2:01 1-4.

Free for all class, pacing, three in five, stake \$2,000. Frank Bogash, Jr., b. g., by Frank Bogash (Murphy), 1 1 4 2 1; Flower Direct, b. m., by D. (Cox), 2 2 1 1; Earl J. (Herrick), 4 5 2 3 2; Directum, J. ch. h. (titan), 2 4 5 dr.; Brady Direct, Hal B. Jr., and Walter Cochato, also started. Best time, 2:01. 2:08 class, pacing, three in five, purse \$1,000. (Gentry), 8 8 3; Cinnamon, Nellie G. and Lowland also started. Best time, 2:05.

COUNTRY BANKERS URGED TO TAKE ACTION
Urges Upon Congress Amendments to Currency Bill Now Before Senate.

DISCORDANT NOTE FROM ONE
Arizona Man Defends Administration Measure and Gets Howled Down.

[Special to The Times-Dispatch.]
Boston, October 8.—One lone banker, of the 4,000 attending the American Bankers' Association convention, refused to indorse the resolutions passed at Chicago, denouncing the administration and demanding radical amendments to the currency bill. There was a rumpus nevertheless.

The much-discussed "country bankers" came out flat-footed in opposition to the Owen-Glass measure in its present form. They vigorously resented suggestions that they had been coerced or intimidated by city bankers. Suppressed excitement had prevailed during the preliminary meetings, and everybody was anxious to get down to serious business.

Acting President Arthur R. Reynolds, of Des Moines, Iowa, opened fire on the administration in his annual address. He characterized the proposed bill as an intervention with the liberty of citizens in the control of their own property.

Not Run Under Lash. "This great country was born in the spirit of liberty and freedom from oppression. Our institutions are not run under the lash of the government, but are the result of the free will of the people. The principles of liberty and justice to all people. That a financial system, which is the very foundation of the country's prosperity, must, in order to succeed, be founded upon those principles, goes without saying."

A. Burton Hepburn, New York, chairman of the currency commission of the American Bankers' Association, had a rousing reception when he stepped forward to read the commission's report. This report used very plain language in denouncing the administration and its currency proposals.

E. J. Hill, of Norwalk, Conn., moved the following resolutions: Resolved, That the report of the currency commission be received and placed on file; Resolved, That we approve the work of the currency commission, and that we ratify and exercise the action of the Chicago conference, the conclusions of which are endorsed and the recommendations they made.

Resolved, That we urge upon the Congress the wisdom and necessity of incorporating into the proposed law, the amendments recommended by the Chicago conference, all of which have been elaborately presented to the Committee on Banking and Currency of the United States Senate, in which body the proposed law is now pending.

Must Command Bankers' Approval. "Any law passed by Congress, in order to be effective and realize, in full measure, the hopes of those who are seeking currency reform," said Mr. Hill in a speech, "must command approval and enlist the co-operation of the banks of the country, both State and national."

LOW CHURCH WINS OVER HIGH CHURCH
Test of Strength Comes in Election of President of House of Deputies.

MAJORITY VERY SMALL ONE
Question of Changing Name of Church May Not Be Placed Before Convention.

[Special to The Times-Dispatch.]
New York, October 8.—What was looked upon as the first test of voting strength between the high church and low church factions came late today at the biennial convention of the Protestant Episcopal Church, when the Rev. Dr. Alexander Mann, rector of Trinity Church, Boston, was elected president of the house of deputies. Dr. Mann was a member of the low church element, and defeated the Rev. W. T. Manning, D. D., rector of Trinity Church, New York, by the vote of 29 to 23.

The president wielded a strong influence in the councils of the house of deputies. He has duties and powers analogous to those of the Speaker of the House of Representatives in the United States.

Substantial Victory.
The election of Dr. Mann was regarded by members of the low church party as a substantial victory. One result of the vote, some of them declared, would be that the question of changing the denomination's name to the American Catholic Church probably would not be placed before the convention. High church delegates asserted on the other hand that the vote was too close to give any indication what course legislation would take.

Dr. Henry Antis of New York was elected secretary. Dr. Mann appointed an assistant secretary, the Rev. Carroll M. Davis, of St. Louis, and Rev. William C. Prout, of Herk County, N. Y., and Rev. James G. Glass, of Andover, Mass.

Bishop Vincent Elected.
The house of bishops, an executive body, met today elected Bishop Boyd Vincent, of Southern O., chairman, and re-elected Dr. Samuel Hart, of Connecticut, secretary.

It was announced that a memorial was presented by Bishop Alfred Harding of Washington, proposing a constitutional amendment providing for a revised method of representation in the house of deputies. What action was taken, if any, was not stated. The house of bishops will resume its meeting to-morrow.

Myers Goes Back to Minors.
Boston, Mass., October 8.—Releases of three players were announced by the National club today. "Hap" Myers, despite his base-stealing exploits of the past season, was sent back to the minors. The International League, Zinn, secured from Rochester, N. Y., the services of a player, who was sent back to the minors. Fred W. Smith, sold under an option agreement.

FERTILIZER MEN ELECT OFFICERS
Business Completed, and Many of Delegates Leave for Richmond to Attend Fair.

Business Completed, and Many of Delegates Leave for Richmond to Attend Fair.

[Special to The Times-Dispatch.]
Old Point Comfort, Va., October 8.—The third day's session of the National Fertilizer Association convened this morning in the pavilion of the Chamberlin Hotel.

When President Charles H. of Savannah, Ga., called the meeting to order, nominations for new officers were made with the following results: C. F. Burroughs, of Norfolk, was elected president; Gustave Jarecki, of Cincinnati, vice-president; W. G. Sudler, Nashville, secretary; John D. Tull, of Philadelphia, secretary of the educational bureau; C. H. Dempsey, Jr., York, Pa., treasurer.

The delegates enjoyed an oyster roast at Cape Henry this afternoon. Today's session completed the business before the association, and many of the delegates left for Richmond to attend the State Fair.

McCORMICK TO MANAGE CHATTANOOGA CLUB
Chattanooga, Tenn., October 8.—Harry McCormick, who has been elected president of the Chattanooga National League Club for several years, will manage the Chattanooga Sevens League this season. The contract was signed this afternoon, according to a telegram from President J. A. Anderson, the Chattanooga club, who is in New York.

Arizona Defends Bill.
Thomas McRae, of Prescott, Ariz., immediately took the floor. He warmly resented the Chicago reports of reflections upon the administration by characterizing the currency bill as socialism.

"You indorse the principles of this bill when you thought you could get control. Shall you control or shall the government?" he asked.

Mr. McRae said: "Why stand here, a body representing the greatest business institutions in the world, and charge the government with 'socialism' and 'repudiation'? You want to select the board of control and say that the administration may put in politics. Let us be honest with ourselves. We are as good as anybody else, but no better. Our business is entitled to no more consideration than the business of any other people. Every section of the country has been heard at Washington; in return you allege that these representatives elected by the people are likely to be repudiators. These resolutions do not reflect the sentiment of the great majority of the country bankers."

Gets Howled Down.
Loud cries of "Oh! Oh!" and other noisy protests greeted this remark. The interruptions lasted so long that Mr. McRae, amid shouts of "Time!" reluctantly sat down.

PIRATES FINAL BEAT CLEVELAND

Pittsburgh, Pa., October 8.—The Pirates today easily won the Cleveland game, the score being 4 to 3 after twelve innings. McQuillen and Stron began for their respective teams, neither doing much. The game was decided by Hendrix in the sixth inning, after the Naps had tied the score with two runs in the first inning. In the sixth inning after working four full innings, brilliant fielding on both sides was the feature. The Pirates, in three innings, got what appeared to be a commanding lead when a double-stealing by Carey, who stole third and home in the first inning, and by opportune hitting in the third. The Naps in the sixth fielded the Naps' check, but in the eighth inning, Hendrix, in four hits, scoring three runs and tying the contest. Then Hendrix was called upon, and succeeded in halting the Naps' check. After pitching a strong game for seven innings, James weakened a little in the ninth. Hendrix hit him for two runs, reaching third when Olson fumbled Carey's grounder, and scored on a single by McCarthy after Dolan had been thrown out at first.
